

Ayiti by Roxane Gay

Social commentator and writer Roxane Gay's debut collection of short stories and other pieces of writing, *Ayiti* is an evocative read about the experiences of the Haitian diaspora. Gay is perhaps most famous for her 2014 book, *Bad Feminist*. A much-awarded author and *New York Times* bestseller, Gay is famed for her incisive and fearless approach to writing. The latest edition of *Ayiti* has two previously unpublished short stories.
