

Sapiens : a graphic history vol 1 by Yuval Noah Harari

Explore the rich tapestry of human history in the first volume of Yuval Noah Harari's graphic adaptation of "Sapiens." Through stunning full-color illustrations and accessible text, Harari delves into the origins of humanity, examining our evolution and the complex interplay between biology and history. From the diversity of ancient human species to the rise of empires, "Sapiens" challenges conventional beliefs and offers fresh insights into what it means to be human. Perfect for readers of all ages, this adaptation introduces Harari's thought-provoking ideas to a wide audience, inviting readers to reconsider their understanding of the past and its implications for the present and future.
