

Sapiens : A graphic history vol 2 by Yuval Noah Harari

This second volume of "*Sapiens: A Graphic History*" dives into the Agricultural Revolution, a pivotal moment in human history. From the pursuit of productivity to the rise of empires, it explores how humanity became ensnared by the trappings of civilization. Through colorful illustrations and entertaining characters, including Yuval, Zoe, and Detective Lopez, it offers a witty and insightful retelling of our species' journey. Perfect for adults and young adults alike, Volume 2 stands on its own or can be enjoyed in sequence with Volume 1.
