

Trust by Hernan Diaz

The second novel by Hernan Diaz, which came out in 2022, won him the Pulitzer Prize for Fiction in the following year. The book was also longlisted for the Booker Prize and won the Kirkus Prize for Fiction in 2022. Written in a metafictional style, the book details a story of incredible wealth and power, and the deceit that often accompanies the creation of this kind of mind-boggling wealth. Kate Winslet is all set to produce and star in a limited television series based on the novel by the Argentine-American author.
